

Alexandria Gazette

THURSDAY EVENING, JULY 18, 1878.

THE FEMALE DETECTIVE.—Alice Trevelyan, the woman who was arrested, in New York, yesterday, dressed in men's clothes and who said she was a detective, proves to be a half lunatic and a fraud. She was recognized in court as an intimate associate of disreputable women well known about Thirty first street. She has lately come from Boston on a debauch.

It is ascertained that she belongs in Newport, R. I., where she is connected with some of the most respectable families in the place. Her own family live in an aristocratic part of the city, and are universally esteemed. She has been on the road to ruin for about two years, and all that a loving mother and affectionate brothers and sisters could do to reclaim her has been done in vain.

The Conservative Congressional Convention of the 8th District. The Conservative Convention for nominating a candidate of the Conservative party to represent the 8th Congressional District in the United States Congress, will be held in the city of Alexandria, on Wednesday, August 28th, 1878, at 12 m. The basis of representation will be one delegate and one alternate to every one hundred votes and fractions of one hundred exceeding fifty, cast for Tilden and Hendricks in the last Presidential election, to be appointed in such manner as the county and city committees may prescribe for themselves.

ICE CREAM, SODA WATER, &c. My Ice Cream Manufactory, one of the largest in Virginia, still continues to supply private families, Sunday schools, excursions, picnics, fairs, festivals and associations, as well as the trade, with that SUPERIOR ICE CREAM that has made a name in this community, and is known everywhere as BRENDEL'S ICE CREAM. I continually reduce its price by lowering its quality, but good cream, of fresh, pure, wholesome ingredients, cannot be furnished at a less price than I serve it. Of course, I would lose money by the price. But my cream would lose its reputation, if I did. I ask that persons abroad ordering "Brendel's Cream" from third parties will assure themselves that the cream sent is certainly from my establishment. I warrant my cream, and no one will dare send inferior cream, sent out as mine, may injure its reputation. It is my aim to furnish the BEST ICE CREAM IN AMERICA, and my customers are satisfied that I do so. jan 11 HENRY BRENDEL.

How can it be done? I have secured a low rate; 2d, I pay cash for my goods; 3d, by the best of cream at a reduced price; 4th, do away with hiring hands; 5th, make the cream myself; 6th, am determined to give full satisfaction.
